Doug – EPA is comfortable with BP using the QAR-5 format for the Wedron QAPP.

Jacquie – one of Jane's colleagues who has some experience with QAPP's asked if it would be possible to use a QAR-5 format for the Wedron QAPP. Please let us know if that is an option. Thanks.

**Subject:** QAPP example

Jane and Doug – attached is an example QAPP. The attached QAPP is for another project that Steve has worked on, and it follows the Uniform Federal Policy for Quality Assurance Project Plans. Note that we don't have a good example for Wedron. For the Wedron Site, Weston wrote Field Sampling Plans that referred back to the Overall START Generic QAPP, which isn't helpful to your contractor.
